#### IV.

IT IS THEREFORE ORDERED that all records and files pertaining to the arrest(s) granted herein be expunged. Related arrests (same or similar charge, date, or arresting agency) not specifically listed herein are excluded from this expunction order. However, records of such unexpunged arrests, which would not have been generated except for the expunged arrest, shall be expunged.

The phrase “all records and files pertaining to the arrest” includes records and files that were generated by respondents during this expunction proceeding, including the copies of the Petition and of this order, which are served on each respondent. However, the phrase “all records and files pertaining to the arrest” does not include records and files that were generated during the investigation of the crime for which petitioner was arrested, but before the arrest took place, and that do not indicate that the arrest ever took place.

The phrase “all records and files pertaining to the arrest” does not include records relating to the suspension or revocation of a driver’s license, permit, or privilege to operate a motor vehicle except as provided in Section 524.015 and Section 724.048 of the Texas Transportation Code.

#### V.

Records and files pertaining to the arrest shall be expunged by turning them in to the Clerk of this Court, in a sealed envelope.

Videotapes and audiotapes shall be expunged by erasing them.

Records that pertain both to this arrest and to other arrests that are not included in this order, and that would have been generated even if the expunged arrest had not been made shall be obliterated (covered with tape, liquid paper, or other opaque substance) only insofar as they pertain to this arrest. A photocopy of such records, partially obliterated, shall be forwarded to the District Clerk as specified in the paragraph above.

Each respondent shall attach a certificate to the sealed envelope, certifying that these are all the expunged records; and the Department of Public Safety shall also certify that it has requested the FBI and all other central depositories to return all records and files subject to the order of expunction.

If returning records expunged by this order is impracticable, records pertaining to this arrest may be expunged by the record-keeping agency obliterating or destroying the records as they apply to this arrest. The agency shall then send a certificate to the District Clerk’s Office certifying that the records have been destroyed.

#### VI.

The clerk shall certify when the order is final and shall mail certified copies of it:

By certified mail, return receipt requested, to all respondents, and;  
By ordinary first class mail to Petitioner's Attorney at the mailing address:

**The Collin County Law Group  
700 Central Expressway S  
Suite #550  
Allen Texas 75013**

No respondent shall comply with this order until it has been thus served.

The District Clerk shall maintain any and all records returned pursuant to this order in a manner not subject to public view and destroy all records, including the expunction file, not earlier than the 60th day after the date the order of expunction is issued or later than the first anniversary of that date. Destruction of any records pursuant to this order must comply with the procedures in Article 55.02, Section 5 of the Texas Code of Criminal Procedure. No records returned pursuant to this order shall be released to Petitioner.

The District Clerk shall certify to the Court the destruction of any records returned pursuant to this order.

All relief not expressly granted herein is hereby DENIED.
